Foreward

An annual should depict high school life as the students see it. We have tried to keep this idea in mind while planning Volume VIII of the Kynewisbok. Whether or not we have succeeded is for you, the students to judge.

DEDICATION

We, the Senior Class of Guthrie High School, 1922, dedicate Volume VIII of the KYNEWISBOK to the Business men of Guthrie in acknowledgement of the loyal support which they have so freely given our school athletics this year.

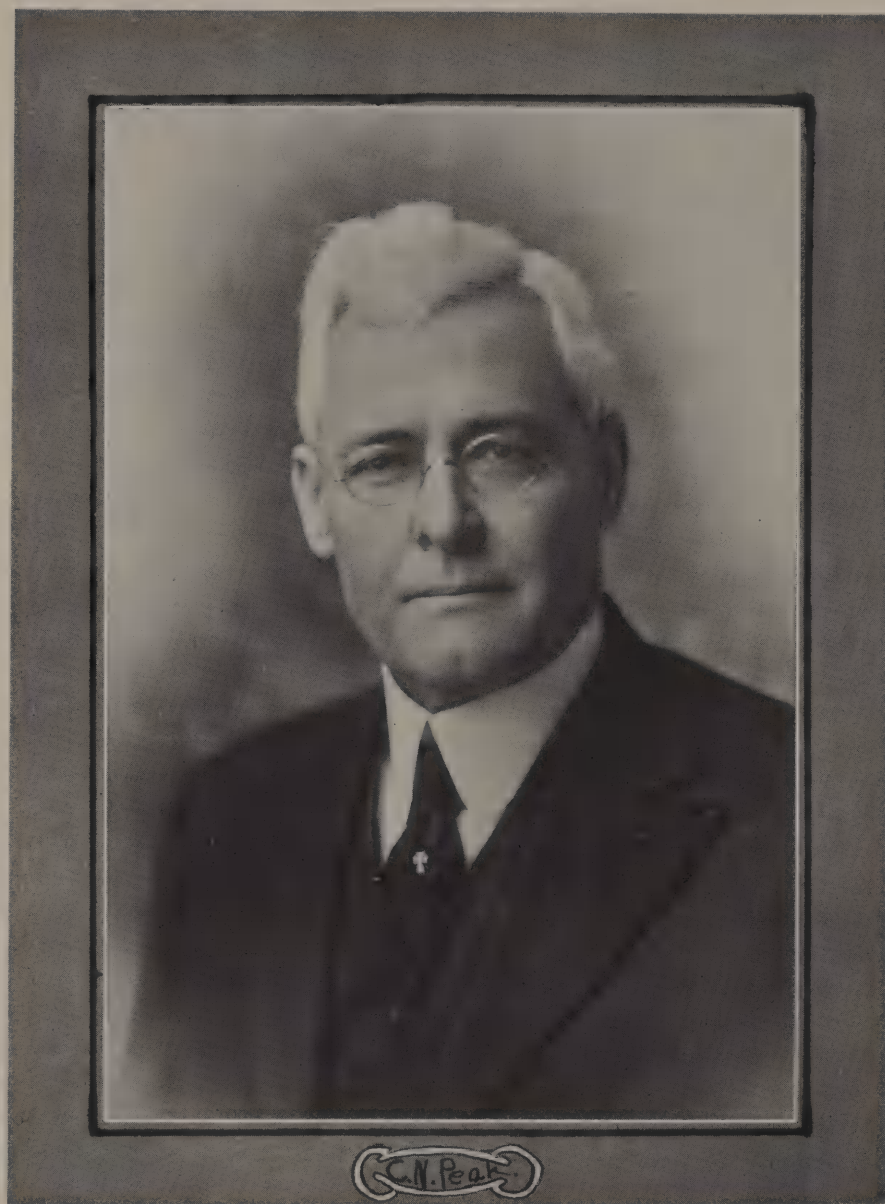

Margaret Dean
Queen of
KYNEMISBOX

On November 1, meetings of the four classes were called for the purpose of nominating a girl from each class for Queen of the Kynewisbok. Those who were chosen were: Senior Queen, Margaret Dean; Junior Queen, Rosalie Barr; Sophomore Queen, Hope Stephens; Freshman Queen, Mary Alice Baer.

The contest began at 10:30 o'clock, Tuesday, November 1, and closed the following Tuesday, November 8, at 12:50 P. M. Miss Dean was elected by a large majority and was pronounced the most popular and attractive girl in G. H. S.

A Senior meeting was called a few days later and Margaret was presented with a beautiful bouquet of American Beauty Roses. She acknowledged them with a graceful little speech of appreciation and the class felt that they had, indeed, made no mistake in electing her.

Class Poem

WE'RE LEAVIN' GUTHRIE HIGH SCHOOL IN THE MORNIN'

(With apologies to Mr. Kipling)

"What is the organ playin' for?" the Freshman said to me.
"To turn me out, to turn me out," the mournful Senior said.
"What makes you look so white, so white?" the Freshman said to me.
"I'm dreadin' what I've got to do," the mournful Senior said,
"For the orchestra's asembled, you can hear the march they play;
The class in line is ready—for we graduate today!
We've shaken off our high school life and put our books away,
An' we're leavin' Guthrie High School in the mornin'."

"What makes the Seniors breathe so hard?" the Freshman said to me.
"It's awful boy, it's awful boy," the mournful Senior said.
"What makes that first girl look so scared?" the Freshman says to me.
"A touch o' fright, a touch o' fright," the mournful Senior said.
"We have halted, little Freshman, we have halted; do not smile.
We will sit but for a minute, then we'll rise an' out the aisle—
Oh we're leavin' Guthrie High School in the mornin'."

"Your desk was right-hand desk to mine," the Freshman said to me.
"I've slept out many periods there," the mournful Senior said.
"I've hit you with my paper wads," the Freshman said to me.
"I've cut your hair and kidded you," the mournful Senior said,
"But we're leavin', little Freshman, you must work to fill our place;
But it won't be very easy—I can see it in your face;
But go we must out in the world and meet it face to face.
Oh we're leavin' Guthrie High School in the mornin'."

"What's that so white, tied with the blue?" the Freshman said to me.
"It's our diplomas with our names," the mournful Senior said.
"Who's that who speaks about them now?" the Freshman said to me.
"It's Mr. Peak who gives them out," the mournful Senior said,
"For we're done with Guthrie High School, you can hear the march they
play;
The class is now in column, an' they're marchin' us away!
How the Juniors are a shakin', 'cause they know their turn's next May.
Oh, we're leavin' Guthrie High School in the morning."

Class Will

We, the Senior Class of 1922, being (contrary to some reports) of fairly sound mind and knowing that our high school days are numbered, do hereby make, publish, and declare this to be our last will and testament.

To those who remain in G. H. S. we leave the prospect of a new building. (May the prospect be realized).

To Mr. Greene we leave our thanks for his assistance and also any debts which may remain unpaid.

To the Faculty we leave our heartfelt sympathy. We know they need it when we recall how ignorant we were when Freshmen and how doubly ignorant Freshmen are now-a-days.

To Mr. Suits we leave all the students, knowing that he will be as good a friend to them as he has been to us.

To the Juniors we reluctantly leave our title of SENIORS, the first five rows in chapel, and three Seniors, Ramon McMinn, Bill McGinley, and Rudolph Scheihing.

To the Sophomore Class we leave the right to fight over the next Junior-Senior picnic or banquet. We also will them our "art" of stalling, hoping that they will master it as we have done and never be called upon the office carpet.

We give the Freshmen the privilege of descending from nigger-heaven down to some real seats in chapel.

To the incoming Freshmen we leave the nails in the balcony which they may employ with much comfort (?) during Chapel.

The following students wish to will their personal belongings to-wit:

Van Martin leaves his extra can of red paint to Sibley Barnes. Make your Ford as attractive as Van's car, Sibley.

Lloyd DeHeer bequeaths to Earl Pickering his short-trousers for which he has no more need now that he is entering the business world.

Herbert Glover leaves his "way with the wimmen" to J. B. Spann.

To James Henry and Dorothy Nichols, Bill and Anabel leave the right to sit on the back row during class meetings.

Laura Shireman leaves her kid curlers to Ralph Baird. (These are non-inflamable, Ralph).

Sadie James leaves the right to vamp all the new boys (preachers sons especially) to Helen Smith.

Homa leaves the following sign for Mary Alice to wear, "Hands Off".
(Nuff sed)

Frank Carlson leaves his well trained pair of dice to Guy Roe.

Thelma Cahill leaves to Mary Wiley, as Editor of the Royal Blue, the pleasure of rejecting jokes from "Whiz Bang" and "Hot Dog".

Velma Ochs leaves to Alta Hewes the right to skid after the basketball; that is if Alta isn't afraid to risk her neck.

Otis leaves his track record to anyone who can break it.

Flora Nau leaves Adeline Rector the privilege of "gettin' bawled out" in American History class.

Madeleine Lowther leaves her henna shampoo to "Brick" Seaman.

Charles Frank leaves his lost book on "How to Make Love" to anyone who finds it.

Harold Kongabel leaves his crimson blush to Fijii Fuzz.

Lora Jay leaves Mr. Walker for someone else to kid.

Lloyd Frazier leaves his size to "Toughy" Wickham. He feels that "Toughy" needs it.

Gwen Cramer leaves her "gift of gab" to Otha Nivens.

Juanita McFetridge leaves all her knowledge to Valma Anderson, also her valedictory address so that Valma won't have the trouble of composing one when she graduates.

Dorothy Speer leaves her "Whiz Bang" to Orville Hoag and requests that he make good use of it.

Oliver Leonard leaves to Andy the privilege of whistling through his nose in Study Hall.

Virgil Harris leaves to Sarah Reed her three pet spit-curls, with the directions for their use and care.

Lottie Goddard leaves to Helen Muxlow the right to slide down the fire escape between classes.

The annual staff of 1922 leaves to the staff of 1923 all the blows, hard work, criticisms, and honor (?) of putting out Volume IX of the Kynewisbok.

We hereby appoint Miss Hikes and Mr. Young as sole executors of this last will and testament.

In witness whereof, we, the Senior Class, hereby affix our seal this 14th day of May, in the year of our Lord, nineteen hundred twenty-two.

Class Prophecy

"Ho! Hum!"

"It is for this that we have worked. It is for this that we have looked since we were Freshmen. Now that we—are—all—"

"What a funny lamp. It looks like Aladdin's" thought Clyde as he picked up a rusty old lamp and began rubbing the dirt from it.

"What wisheth thou, my master?"

"What are you?" cried Clyde to the brown man who had sprung from the ground before him.

"Thy servant, my master. That is the ancient lamp of Aladdin which hath been lost these many years. Thou mayest have anything which thou wisheth by rubbing on the lamp."

"Oh! Then give me health, riches, Juanita, and a home."

Immediately a beautiful palace appeared and the genii told Clyde and his pretty wife to enter into their new home. Everything was gorgeous; and as Clyde seated himself upon the luxurious cushions he exclaimed, "My happiness is complete!"

"I am very happy too, Clyde, but wouldn't you like to know about all our old class-mates from Guthrie High?" queried Juanita.

"Indeed I would! I shall rub upon the lamp and the genii will tell us about them."

"Genii" Clyde said, as the slave appeared, "I want to know what all the members of the class of '22 of Guthrie High School are doing now."

"Yes, my lord. I can tell you what each is doing. Ruth Barr is now Ben Turpin's leading lady. She says she loves to look into his beautiful eyes.

"Dorothy Speer is Judge Wilson's housekeeper. (Gladys refused to work after reading Frances Phillip's book on 'How to Hen-peck Your Husband'.)

"Russell Huffine who was a member of the Girls' Basketball Team in '22 is now the coach in Langston University.

"Harris Bateman is now the able assistant of Thomas Edison in Orange, New Jersey.

"Harrell Roberts was recently arrested for the illicit sale of corn whiskey, but escaped the clutches of the law, due to Gerald Kelley, the second Moman Pruiett.

"Paul Bates was recently discharged from the German Army because he couldn't retreat fast enough.

"Sara Williams, who always was musically inclined, is now raising canaries in the Canary Islands."

"Isn't this interesting though?" Clyde interrupted.

"Can't you keep still? This is more interesting than you are," Juanita replied. (You can tell they've been married at least an hour.)

The genii continued, "Eloise Douglas is playing her fiddle at the Gem, but she begins to feel that her sister was lucky.

"Mrs. H. J. Kongabel (formerly Miss Mae Hopkins) recently bought the largest rolling-pin factory in the world, which is located in New York. The reason is very obvious.

"Since his graduation, Bob Allan has been trying to induce the Supreme Court to reverse the Volstead decision.

"Ellen Blank and Laura Boye have resigned their positions in the Seward School for better ones (on a farm).

"A search is being made by the famous New York Detectives, Kathleen Walker and Emma Brown, for Francis Allison, alias "Frecks", who robbed Raymond Moritz, the multi-millionaire.

"Mae Peacock is a missionary in the Elbow District of Guthrie.

"Vivian Sharp is still after the elusive Herbert Glover.

"Helen Bearden and Mary Bethel, the first women explorers, are trying to locate the South Pole.

"Thelma Champion recently defeated Molla Mallory in the Tennis singles on the Wimbledon courts.

"Eva Clark and Edward Cox have charge of the Honey Farm two and a half miles south of No Where.

"Zora Moss and Mamie Schooler are running a news-stand at the Terminal Station in Oklahoma City.

"Leon Cassaday recently committed suicide because Margaret Dean refused to marry him.

"Vivian Le Gate and Dorothy Loveless are proprietors of the 'Get-a-Man-Quick-Matrimonial-Agency'. Edith Harned is one of their regular customers and seems to keep the divorce court busy also.

"Cecil Dobbs and Ora Huston have organized a debate club in San Francisco. The weekly question for debate is 'Resolved, that women should have the right to propose'. In one of these notorious debates Myrtle Longpine and Anabel Hinton lost their tempers and killed each other. Chief-of-Police, Marguerite Humphrey, arrested the founders of the club on a charge of murder; but after a long trial they were finally acquitted.

"Violet Deckert was convinced of being a Bolshevik and has been deported to Russia.

"Violet Reed dedicated her life to missionary work in Africa after the death of her 'intended', Pat Murphy.

"Edith Mae Martin is Zeigfield's leading lady in the 'Follies of 1932'. Sylvia Gray and Nina Graybeal are members of the chorus.

"Cora McGinnis who owns the largest ranch in Montana was recently married to her foreman, John Phillips.

"Flossie Miller and Violet Thomas have founded a home for old-maid school teachers in Minneapolis. Mr. Walker applied for membership but it was refused him."

"Clyde! Clyde! Wake up! Have you been asleep all during my speech? I didn't think it was that bad," Juanita said as she resumed her seat after the valedictory address.

"Why— 'er— I don't see whatever made me go to sleep. I really wanted to hear your speech; I know it was good. I have had a wonderful dream though. I'll tell you about it after the midnight lunch tonight."

This past year has been a very successful one, due for the most part to our sponsors, who have backed us to the limit. They delightfully entertained us with a Hallowe'en party at Miss Stewart's home. Just before the Christmas holidays our class gave a Christmas party at the city hall, where we had a tree beautifully decorated with candy and presents for each one.

The Juniors have led the entire school in all athletic events this year. A record of eight letter men in football was the pride of the class during the season. Later, four Juniors with the aid of our substitute and a few Sophomores and Seniors played a splendid basketball schedule. Eight track letter men brought glory to the school during the Logan County Meet, while five Junior girls—two regular players and three substitutes—made it possible for Guthrie to make a good showing in the tournament at Stillwater. The Juniors won the Junior-Senior football game and the Junior boys won the Sophomore-Junior basketball game. In basketball Walter Voris received honorable mention as center on the conference team. Ted Wulff was elected captain of the football team for '22.

The crowning event of the year was the Junior play—"The Return of Hi Jinks", directed by Mr. Greene. The actors seemed more professional than amateur and the general verdict was that this was the best home talent play given here in years.

As a class the Juniors have endorsed and supported every school event. With such a record and with such knowledge of ourselves, we repeat,

"I'd rather be a Junior
Any old day."

Class History

The Class of '24 is one of the largest and most interesting from a standpoint of ability and progress in G. H. S. The interests and activities of the class cover a wide range, as may be seen from their record for this year.

Because much of the success of the class is due to the officers' efficient management, they are to be commended for their good work. To their Sponsors, Miss Kirkpatrick and Mr. Young, the Sophomores wish to say, "You have never, throughout the entire year failed to give us your whole-hearted support and encouragement, without which we could never have succeeded."

The first chapel stunt of the year was a "Circus", of which even Ringling Brothers themselves would not have been ashamed. Other plays and stunts followed in close proximity. The "Sophomore Follies", an amateur theatrical, was a great success, and two plays are now in the process of completion, "The Taming of Horrors" and "A Girl to Order". They promise to be even more successful than the "Follies" were.

In Parliamentary Practice and Debate two of our members made good. Their work showed earnest and persistent research which helps make the outlook for debate exceedingly bright.

The success and prominence of the Orchestra in G. H. S. makes the Sophomore Class proud to claim eight of its members as their own.

But it is in athletics that the Sophs throw themselves bouquets. Harry Gross, whose work on the gridiron was one of the outstanding features of the year, made the All-State Team. In addition to their All-State Man the Sophs furnished two men for foot-ball and two for basket-ball. The victories over the Freshmen in the Tug o' War, foot-ball and basket-ball games were largely due to these live wires.

With such an enviable record the Sophomores look eagerly forward to their Junior year and have confidence that the Class of '24 is, and will be, the best in G. H. S.

Freshman History

It was with fear and trembling limbs that the members of the Freshman Class entered the sacred portals of G. H. S. and we didn't really come into our own until the first Class Scrap. An initiation was planned for us by the Sophs but we Freshies were already organized and didn't even get warmed up by the scrap before the Sophomores were getting their second wind in wild retreat.

Early in the first semester we gave a clever stunt in chapel, an impersonation of the funny paper characters.

On December 9, the Mardi Gras was staged in the City Hall and it was such a success that we decided it should be an annual affair of the class.

In the second semester a musical extravaganza called "What Next" proved a head-liner. And talent!—Some girls in the Freshman Class would make Pavlova green with envy—some would make Galli Curci weep with chagrin—some would crowd Irene Castle off her promenade walk. Some of our boys out-shine Rudolph Valentino—some out-clown Charlie Chaplain—some out-think Edison. (Not to mention how they out-wit the faculty).

The Sophomores defeated us in the Tug o' War. Then came the challenge to a football game. The Sophomores were again victorious. Then basketball and another Sophomore victory. "Were we down-hearted?" "NO!" Our courage, our everlasting pep, our originality has made us a wonder class.

Summing it all up, we cannot see how G. H. S. got along without us as long as she did. Now that we are here we shall, during our four short years with this institution, try to inoculate it with higher ambitions and more pep, making G. H. S. the school of schools.

First Row—Jones, Taylor, Short, Hixon, Schaefer, Wilder, Southern, Klink, Casey.

Second Row—Harned, Travers, Friedley, Hunter, Hockaday.

Third Row—McWilliams, Mitchell, Haskins, Arrasmith, Reed, Bokorney, Patterson, Meier, Wilson.

Lady Lits

Nine years ago the Lady Lit Society had its birth at Guthrie High School. It is an organization composed entirely of Senior girls, who are filled with enthusiasm and school spirit, and who stand for the further development of the high school girls along literary lines. From its very infancy this society has been a levelling influence which has stood for the better things of school life, ever emphasizing zeal and earnestness of purpose as the essential qualities of character to be sought and cultivated.

Each year five pledges are selected from the Junior girls to carry on the work the succeeding year. The group chosen by the class of '21 were: Lottie Goddard, Frances Phillips, Thelma Champion, Thelma Cabill, and Gladys Casey. What great fun the Senior girls had in getting these girls ready for the first Assembly in chapel. So splendidly was the work done that not one was recognized. But now these girls feel somewhat relieved for last week they conducted the pledges for next year to Assembly dressed to represent various characters, a French Count, a Turkish officer, a Japanese coolie, an Irish washwoman, and a German peasant.

At the first meeting last September, Lottie Goddard was elected President; Mae Hopkins, Vice-President; Dorothy Loveless, Secretary; Juanita McFetridge, Treasurer; Mamie Schooler, Editor. The sponsors chosen were Miss Hikes, Mrs. Larkin, and Miss Alden. With these officers and these sponsors the society has done some fine work this year, although there remains undone much that was planned to be done.

No special course of study was followed this year, but some interesting work was done in studying the lives and works of some of our great social workers, singers, and other prominent people of today.

The first social event of the year given by the Lady Lits was a Hallowe'en party at the High School. It was a great time! The girls did their very best to make this a memorable occasion. The senior boys, the football team, the visiting football team from El Reno, and the faculty were the guests. The Lady Lits were equal to the occasion and proved to be splendid hostesses. Several other events occurred during the year which were pleasant and profitable.

To the pledges chosen to promote the work next year—Rosalie Barr, Jennie Seaman, Dorothy Nichols, Helen Collins, Dorothy Dunnica—and to the other girls in the Junior class who will fall in line next year, we wish you a pleasant and advantageous program. May you do everything we failed to do, leaving a richer heritage than we are leaving for the classes who are to follow. May you make the organization so worth while that every girl who passes through Guthrie High School will ever rejoice that she came this way—rejoice and be exceedingly glad that she was a Lady Lit.

The Home Economics Club

The Home Economics Club was organized in 1916 by the members of the Domestic Science class. There were nine charter members and under the sponsorship of Miss Wallace the club increased in numbers and interest.

At the last meeting in May, 1921, the following officers were elected for the year 1921-'22:

VIVIAN SHARP	President
ANNA MAE GASPARD	Vice-President
ALLENE METZ	Secretary-Treasurer
RUTH BARR	Editor

The officers remained the same throughout the year, with the exception of the Vice-President and the Secretary-Treasurer, whose offices were vacated on account of their moving away. Mae Peacock was elected to fill the place of Vice-President and Sara Williams that of Secretary-Treasurer.

The membership this year has not been limited to the girls of the Domestic Science class, but also includes those whose interests are centered around the home. The membership for this year is thirty-two. The following girls were initiated into the club at the beginning of the second semester: Mae and Helen Peacock, Virgil Harris, Gwen Cramer, Florence Cullison, and Dorothy Loveless.

Every year the Club takes up one phase of the home and studies it throughout the year. The subject for this year was "Furnishing and Care of Homes". At each meeting, held twice a month in the homes of the members, interesting topics on this subject were taken up and discussed. Once every month a demonstration meeting was also held, at which time the refreshments to be served for that evening were demonstrated by the hostess.

On November 25, at the home of Madeliene Lowther, the members and their friends enjoyed a delightful Thanksgiving Party. The house was tastefully decorated with autumn leaves and flowers. Games and music furnished the entertainment and at a late hour delicious refreshments were served to about thirty couples.

Again on March 17, Vivian Sharp, assisted by Sara Williams, Sadie James, Mae Peacock, and Ruth Barr, was hostess to the Club and their friends at a St. Patrick's Party held in her home. The rooms were decorated in green shamrocks and pipes and the idea of St. Patrick was carried out in the games and refreshments.

Two benefit shows were given by the Club this year, one at the Pollard and the other at the Gem Theatre, a neat little sum being realized.

Miss Radnich, head of the Home Economics department, has been a capable and efficient sponsor and it is due to her that the Club has been so successful this year.

The members of the Club hope to make it a permanent institution in the High School and the out-going members wish them success in all they do.

CONGRESS DEBATING SOCIETY

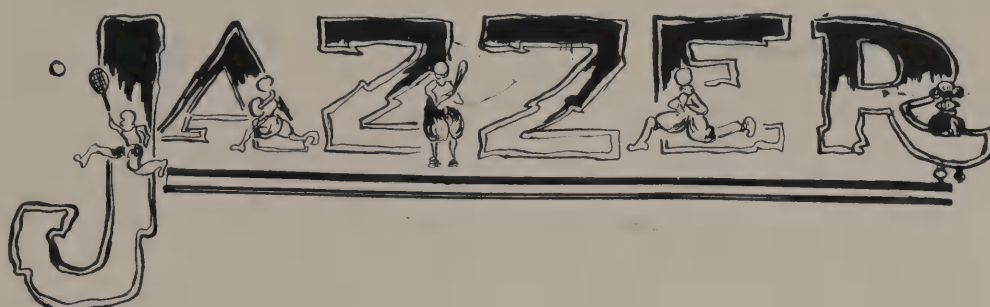

The Congress Debating Society of Guthrie High School was organized on September 29th, by the students who "appreciated the advantages to be derived from an association which would give practice in composition, debate, declamation, extempore speaking, and parliamentary practice."

The officers elected were:

President.....	Thelma Cahill	President.....	Ora Huston
Vice-President.....	Claude Gragg	Vice-President.....	Claude Gragg
Sec.-Treasurer.....	Mary Wiley	Sec.-Treasurer.....	Gerald Kelley
Corresponding Sec.....	Ruth Barr	Editor.....	Thelma Cahill
Editor.....	Gerald Kelley	Sergeant-at-arms.....	Clyde Charvoz
Sergeant-at-arms.....	Ora Huston	Chairman of Program Committee	Clyde Baer

Under the efficient sponsorship of Miss Stewart and Mr. Donnell, the club has had interesting weekly meetings, in the inspiring atmosphere of the Carnegie Library club room, and a great deal has been accomplished. The representatives in the Extempore Contest at Guthrie and the Original Oration Contest at Oklahoma City, as well as the Boys and Girls Debate Teams were all active members in this club.

The Congress Debating Society is one of the most instructive and successful organizations of which Guthrie High can boast, and there are splendid prospects for a more successful organization next year.

The Jazzars was founded three years ago by the girls of G. H. S. for the purpose of "instilling" pep into the various athletic teams and "distilling" pep on the field.

This year has been a most successful one for the club. A meeting was held September 15, for the purpose of electing officers. Those elected were:

President.....	MAE HOPKINS
Vice-President.....	FRANCES PHILLIPS
Sec.-Treasurer.....	ROSALIE BARR
Yell Leader.....	SADIE JAMES
Editor.....	VIRGIL HARRIS

The Jazzars have had sales at every football and basketball game this season. There were Hersheys, popcorn, and peanuts for the hungry, with soda pop to satisfy the thirsting. The proceeds of these sales go to defray the expenses of the club and to aid the Student Association.

We were, of course, present at all the football and basketball games and did our bit with yells, songs, and decorations. But the only stunt we gave was the wedding of Miss School Spirit (Rosalie Barr) and Mr. Athletics (Wayne Anderson). The ceremony was performed in the Auditorium on October 21, by Reverend Leonard Bruce. Mildred Moore, Mary Wiley, Mae Peacock, Laura Shireman, Mayme Blank, and Mildred Canfield were the bridesmaids. Basketball (Edith Harned) and Track (James Henry) were guests of honor, while dainty little Mary Alice Baer and Dorothy Hunter sprinkled the "flour".

With none of the old pep lost, the girls will organize next year and carry on the good work. Let's make the Jazzars a permanent organization in G. H. S.

Pestalozzian Club

The year 1921-22 marks the third year of the Pestalozzian Club, an organization composed of Senior Normal Training pupils. The club was named by the class of '20 in honor of the great Pestalozzi, the educator whose methods found their way into American schools by Josef Neff. A very unusual circumstance exists in this club; there has never been but two boys to enroll in the course and neither of them finished the work. This is only another example of feminine tenacity. Up to this time there have been twenty-one girls to receive two-year State certificates to teach in the public schools, but this year's enrollment will swell this number to almost forty.

At the beginning of school last September, seventeen girls were enrolled in the class. A meeting was soon called and the following officers elected:

President.....	ELLEN BLANK
Vice-President.....	VIOLET REED
Secretary.....	JUANITA McFETRIDGE
Treasurer.....	LAURA BOYE
Editor.....	MAMIE SCHOOLER
Sponsor.....	MR. WALKER

At the beginning of the second semester, one of our number withdrew from our little force but soon the membership was brought up to the original number by the addition of a new member.

We are very proud, indeed, of the work of the club this year. Every member has labored to show herself approved and worthy of the tasks and responsibilities which will fall to her another year. We have had ups and downs—plenty of them, but through it all we have labored diligently, ever striving to hold our emblems (the owl and the open book) to view.

Each girl is planning her work for next year, trying to put into practice all those things we have been taught this year. How glorious will be the future if only one half the dreams come true. May the succeeding class improve over our mistakes, may they make better members of this club, for surely each class should improve over the other. Our year has been a pleasant one and we hope that each class will add to the interest of this organization and make it mean more than any other activity in which they enter.

Pledges have been selected to carry on the splendid work of this organization next year.

ALL-AROUND-GIRLS

OFFICERS:

MISS KIRKPATRICK.....	Sponsor
LEONA MASSEN.....	President
MAYME BLANK.....	Vice-President
HOPE STEPHENS.....	Treasurer
FRANCES LEITNER.....	Secretary
HELEN MUXLOW.....	Yell Leader

The girls of the Sophomore Class, feeling the need of a club which would furnish a certain amount of much needed physical training, promote closer friendship, and develop sportsmanship, this year organized the "All-Around-Girls". This is the first organization of its kind in G. H. S. and the girls intend to make it a permanent one.

CLUB SONG

(Tune—"That's Where My Money Goes.")

We are true sports, yes sir—
We'll show you what we're for,
We drive all gloom away,
Camp out most any day.
We're in for all good fun,
Oh, Boy! We've just begun.
We're All-Around-Sports of today.

Orchestra

For many years the Orchestra has been one of the most important features of G. H. S., and Guthrie is known all over the State as a great music center. For four consecutive years Guthrie's Orchestra placed first in the State Contest. This is a record which will probably never be equaled.

It was a considerable loss to Guthrie when Professor Ryan, former Director left, but during the last two years, under the leadership of Mr. Greene, the Orchestra has regained its former prestige and is again on an equal with the best in Oklahoma.

Mr. Greene has directed the Orchestra in addition to his other duties as Principal, and the showing made under the circumstances is truly remarkable. This year our Orchestra took third place in the State Contest; Oklahoma City and Tulsa taking first and second respectively.

The members of the Orchestra worked faithfully this year and are to be congratulated for the showing they have made. Aside from the State Meet the Orchestra presented two successful concerts and furnished music for chapel and numerous other occasions. They will take a prominent part in the Musical Festival to be held in Guthrie this May.

ATHLETIC

Football Season 1921

"Better than fame, is still the wish for fame.
The constant training for a glorious strife;
The athlete, nurtur'd for the Olympian game,
Gains strength, at least, for life."

Bulwer.

Coach Earl Young assumed control of G. H. S. athletics this year. He is a coach of all branches of High School athletics, and thru his work, Guthrie has been brought out of the cellar in the Little Ten Conference and placed on an equal with the best schools in Oklahoma. Young is unequaled as a coach of high school football and during his five years of coaching he has turned out several championship contenders, the greatest of which was his Cherokee High Eleven of 1920. His repertory of plays is almost inexhaustable and his teams "learn" football. Young's men were noted for their hard fighting spirit and their clean sportsmanship.

Coach Young's ambition was to turn out a good team this season, and a real football eleven next fall. He has over fifteen well experienced men and a host of rookies; when the team begins training next fall they will present one of the strongest outfits in the state. The past season was played with the future in view, and Guthrie High has a wonderful chance to regain the place and prestige on the Oklahoma gridiron that Logan County High School held during the years 1902 to 1915. Not since the halcyon days of 1906 has Guthrie held such brilliant prospects. Only three of this years eleven: Pexton, Roberts, and Wile will be lost by graduation.

The past season was one of hard work, a few bonfires, and several disappointments. Of the ten games played, five were lost, two resulted in ties, and three times the Blue and White triumphed; but the team that put away the mole-skins on Thanksgiving Day was far better and wiser than the one that took the field in September.

The season opened with a narrow victory over Edmond. On September 30, Oklahoma City came north intent on winning by a 100 point margin. This game was perhaps the hardest fought of the season. For three quarters the teams remained deadlocked, neither being able to score. Late in the fourth period, McBride of O. C. drop-kicked goal. Guthrie came back with the famous Young Fake and sent Van Meter eighty yards for the only touchdown of the game; it was the greatest gridiron triumph in years and the Student body celebrated late into the night. The team then struck disaster and lost four contests. Enid, Sapulpa, Tulsa, and Norman each turning the trick after hard fought games. The next two games with El Reno and McAlester resulted in ties, and then the team met a disastrous defeat at Blackwell. Perry came to Guthrie Thanksgiving with a long string of victories to their credit, but Young's men were right that day and when the final whistle ended the fray the score stood 27 to 6 for G. H. S., the same margin of victory by which we had met defeat at Blackwell.

Football was well supported this year. The business men backed the team with money and influence, as did the Students, and the team heartily appreciated this support. Coach Perdue assisted Young with the football men and deserves much credit. Perdy is a former all-state college man and he knows football from end to fullback.

FRANK PEXTON (Capt.)—Fullback

Pex is a versatile player. He was a great tower of strength in line on defence, but what made him famous was his low-running, hard-hitting line smash that never failed to gain yards. Pex was on the All-state honor roll and his name goes down with Logan's greatest captains.

COACH W. E. YOUNG
Athletic Director

EDWARD FURROW—Center

Playing in his third year of High School athletics Doc played a wonderful game. His ability to diagnose plays was uncanny, and he was the most aggressive and hardest fighting of players. His work at center was such that not a fumble occurred in the Guthrie backfield during a season of play. The Athletic Director of Philips University after seeing Ed in action declared his spiral pass the most perfect he ever saw. Doc was the greatest center in the history of the School.

OTIS WILE—Quarterback and Halfback

Oleo played his last season for the Blue and White. He was at home in the backfield and played either quarter or half. He could always pick an opening in the line and showed good generalship against Oklahoma City.

WALT VORIS—Tackle

Walt was another big factor in that forward defence wall. He was a good tackle and when necessary could kick up the dust around center. Dad's long spiral punt was always good for forty yards and at Enid, from behind his own goal line, he sent off his best kick of the year, it carried sixty-nine yards.

FREDERICK BARNHART—End

Fricky demonstrated against Tulsa just how good a defensive end can get. Not a Tulsa runner got to the line of scrimmage on the left flank of Guthrie's line that day. Frick is the second of four brothers and we say it's a football playing family. He has one more year.

J. B. SPANN—Halfback

The Juniors claim Jake as one of their greatest athletes, and that class turned out some great ones. Big and fast, Spann is a dangerous man in the broken field, and a clean, hard tackler in the secondary defence. He bids fair to become as great a half as Frenchy Doye and Johnny Mason.

WAYNE ANDERSON—End
and Halfback

Andy played a great game against O. C. at end, but Young needed him in the backfield where his weight and speed made him indispensable. Long end runs were Andy's dish and the end he can't get around has to play on the sidelines. He has one more year.

LYLE CARR—Guard

Emerson says, "A man is entitled to be judged by what he is at his best." Pinkey is a mighty man in the line and will be back next year to do his part in that Championship drive. He played a great game against Norman.

ROY VAN METER—Halfback

Back in '17, Vearl Van Meter placed a drop-kick through the uprights that gave Guthrie a 3 to 2 victory over an Oklahoma City team. This season Roy brought the Blue and White a victory with a brilliant eighty yard run. Van was a hard worker and played a great season for Guthrie.

ROY POTEET—Guard

Poteet is a guard of exceptional ability. Playing in his Freshman year, Roy was always open to suggestions and his play improved steadily from game to game. He played next to Gross in the line and he was not far behind his All-State partner.

TED WULFF—Quarterback and Halfback

They called him Ted the Terrible and opposing teams soon learned his nickname. His ability to keep the team fighting and his own work in the field made him a great player. Ted played his best games against Norman and Perry. He has one more year.

LYLE HARRIS—End

Fijii Fuzz is a good offensive end and his defensive play compares with the best. The receiving end of an on-side kick; a long pass down the sidelines, or a short one over center; they all look alike to Fuzz. This is his second year of football and his two more seasons will be great ones.

HARRY GROSS—Tackle

Gross was a big factor in that famous Guthrie line. Harry had that indomitable spirit to fight hardest when the team was losing that placed him on the All-Okla-homa team and the All-Conference team as well. Logan County has turned out some great tackles but "Man-o-war" Harry leads them all.

CLAUDE GRAGG—Utility

Deke was dependability itself. Although extremely light for a line man he plays any position from end to end. At Sapu'pa, with Fotect on the injured list, Gragg stepped in at guard against a man forty pounds his superior in weight and played the game of his life. He is Young's best bet to fill the great gap at center left by Doc.

Basketball, Season 1921-22

The 1922 season opened with a three day trip through the eastern part of Oklahoma. The members of the squad were all new to each other and the team was without the services of Vori's, veteran center, so few were surprised that these first three games were lost. The experience gained was of great value and gave Coach Young a good line on his men, and a basis on which to work out his team. The men soon rounded into form and defeated Luther in the first home game of the season. Then as mid-season approached and the team should have developed into a consistent winner, things began to go wrong. Lack of team work was the most evident handicap. Disregard of training rules and jealousy among the players served to spoil Young's chances to become a championship contender. Things became rapidly worse and the climax came with Enid at Guthrie for our fourth Conference game. Enid, with a one-man aggregation, defeated us for their only Conference victory of the season. This served to bring the Blue and White camp to life and they did a great deal toward redeeming themselves by handing defeat to Okmulgee and Shawnee in our next two Conference games. These two victories were the only bright spots in an otherwise drab and disappointing season. They gave a slight idea as to what kind of a team Guthrie should have had this year, and are thought by many to be a pretty good indication of the kind of team that will represent Guthrie High in 1923.

The team played a weird quality of ball, at times displaying an invincible defence, and at other times as many as fifty points would be chalked up by our opponents. The offensive, always beginning with a rush, invariably gave us a lead at the start which we were unable to maintain. This same offence turned in twenty-nine points against the Oklahoma City team, more than any other Oklahoma team was able to score against the State Champions. However, our play was inconsistent and many games were lost that should have been easy victories. The team will be intact for next year and having learned the lessons that experience teaches, a great season is predicted.

WAYNE ANDERSON—Captain—Forward
This is Andy's second year on the squad. He is a hard worker, an excellent shot from close or long range, and works the floor well. He has one more year.

WALTER VORIS
Center—Forward
Sickness kept Dad out of the first part of the season but he made up for lost time when he finally rounded into shape. He was the most consistent player on the team and was selected on the All Conference Honor Roll.

DOYLE HENDRICKS—Forward
Slick plays a whirlwind offensive game and is a valuable man in the five man defensive. His work from the free-throw line compares with the best in the Conference.

J. B. SPANN—Guard

Jake is a three year letter man from Granite. He covers a world of territory and always gives his forward plenty of trouble. He starred in the first Oklahoma City game.

FRANK PEXTON—Guard

Pexton played his last season for Guthrie at guard. He left school for college during the season but played in enough games to earn his second basketball letter.

BERNARD KLAKE—Guard

Klase played his second year at guard. Dude is a hard man to beat in the safety position and also works well at forward. He has another year.

JAMES HENRY—Center

This was Long Jim's first year at basketball. He is a hard, consistent player, seldom out-jumped in the center position. He has one more year.

Girls' Basketball, 1922

During the past two years Guthrie has been represented by one of the strongest teams in Oklahoma. The season of 1920 found all of the team seniors but Edith Harned. The following fall prospects for Girls' Basketball were dull indeed. With practically an entirely new and inexperienced squad at the start of the season the Guthrie team developed into one of the fastest in the state. They lost the first few games, naturally, but as the season wore on they grew steadily better and sprang a surprise on the State by winning the Fifth District Championship in March. Two weeks later, at the State Tournament, Guthrie played Altus, the Southern Oklahoma Champs, in the first round. The 14 to 11 victory for Guthrie was the biggest upset of the entire tournament. Guthrie played through to the semi-finals in the tournament, one of the fastest ever staged in Oklahoma, finally losing to Blackwell, 16 to 11. This gave us third in the state.

The opening of the 1922 season found the 1921 team intact with the exception of Bernice Bosworth, forward. Otha Nivens filled this vacancy satisfactorily and proved to be one of the best forwards Guthrie has ever had. Before the first game, however, Leona Massen, first center, was injured. This was the beginning of the hard luck story; first one player and then another was upon the injured list and the team was kept off-color and broken up until the week before the State Tournament. Guthrie played Jennings in the first round of this tourney and defeated the Katy League Champs 17 to 6. In the second round Holdenville met the Blue and White and followed the example set by Jennings. The score was 20 to 12. Both of these teams had come through the season undefeated but were helpless before the speed of the Guthrie outfit. Edmond came next and after the hardest battle of the tournament they were victorious, 23 to 20. Guthrie got off to a bad start in this contest and allowed the Edmond Cagers to run up a 19 to 9 lead during the first part of the game. Coming back in the last five minutes of play Guthrie staged a desperate rally and drew up to within one field goal of their opponents but an injury to Leona stopped the rally and we were defeated. This classed Guthrie and Amorita as the third best in Oklahoma for 1922.

During the last two years Guthrie has won seven and lost two games in tournament play. The season records for 1921-22 show a majority of games won. The team this year is by far the greatest that Guthrie ever produced during her history and, with an even share of the breaks, would have led the state this year. Three members will be lost this year through graduation; but Coach Young has a wealth of new material from which to build up next year's team and it promises to be another strong one.

EDITH HARNED—Captain—Forward

This is Edith's fourth year of Basketball. She has captained the team for the last two seasons and led the team to the District Championship in 1921. Ed is fast and a fine floor-worker, with a good eye for a basket; with her, team-play is paramount. It will be a long time before the Blue and White has another leader such as Captain Eddie.

MARY WILEY—Guard

Mary is Mae's running mate at guard. For the last two years this pair have formed a defence that is hard to beat. This season they held Jennings, the Katy League Champs, to one field goal. This is Mary's second year and she has one more.

VELMA OCHS—Second Center

Skid played her second and last season for Guthrie. She has lots of the speed that characterized the entire Guthrie outfit. She is small but they all look alike to her. Skid played a great game with Doodles at center.

OTHA NIVENS—Forward

This is Otha's first year with the team; she took the place of Bernice "Dynamite" Bosworth, star forward on the 1921 team and her play earned her the nickname of Dynamite II. She and Edith work perfectly together and Otha was responsible for the majority of Guthrie's scores. She has three more years.

MAE HOPKINS—Guard

Mae had a great year at guard. This is her second and last season. Somewhat handicapped in size, Mae makes up for the difference with speed and fight. A dandy forward when not needed at the guard position, Mae is the greatest player Guthrie ever produced and the first to gain an All-Oklahoma position.

LEONA MASSEN—Center

Doodles has it over them all at the center position. She has played two great seasons for Guthrie and has two yet to go. She rarely misses the tip-off and is a good floor-worker. One of the grittiest of players, Leona should have been an All-State selection.

GARNET STILTS—Substitute

Blondy plays any position on the court. She subbed for Leona at center during the first few games. She also plays well at guard and is a capable forward. This is Blondy's second season and she will be back next year.

LAURA HESS—Sub. Guard

This is Laura's first year with the squad. The fact that Guthrie had such guards as Hopkins and Wiley accounts for her not making a regular position. She will be out next year.

TRACK 1922

Track was revived in Guthrie High School this year with unusual interest. The Track and Tennis squads numbered over fifty and worked hard in preparation for the County Meet and the State Contests. The first meet was a dual affair with Stillwater High. We were defeated but the showing made was encouraging. Guthrie attended the Central Conference Meet on the 21st of April and placed fifth. This is the best showing Guthrie has made in the Conference during the three years the meet has been held. The day following the Conference Meet the First Annual Logan County Meet was held at Guthrie. Guthrie entered a well-balanced team and placed in every event except the hop-step-and-jump. The total Guthrie score was 84; Crescent, the runner-up scored 22 points. Meridian took first in Girls' tennis (singles). Guthrie won the Girls' tennis (doubles) and the Boys' tennis (singles and doubles). The Meet was a success and serves to fill in the Spring program of the High Schools of the County. Contests in academic subjects and fine arts will be added next year.

Guthrie has had little representation in Track since 1916 and has not won the state meet since Logan County High won the first three contests in 1905, '06, and '07. Young, therefore, had little material with which to work and the majority of the men were inexperienced in track work. But he soon had a large squad in training and has developed some very creditable athletics. Baird, Good, and Suits handled the 100 and 220 yard dashes. All are good men and are capable of fast time in their events. Baird is the only sprinter to win his letter. He has taken one first and three seconds during the season. Guthrie was strong in the weight events; Anderson, Spann, and Voris all winning their letters. Spann placed third in the shot-put at the Conference meet, and copped the gold medal in the broad-jump at the County meet. Voris works all of the weight events and hurls the Javelin. Austin is our premier Javelin thrower and a creditable half-miler. Wile works in the distance events. He has been one of Oklahoma's strongest milers for the past two years and this season won the class A mile at the State Meet. Wile has captained the team for two years and leads in number of points scored, with a total of fifty-one. He won the all-around honors in the County Meet. Rector, Carr, and Charvoz were the Guthrie quarter-milers. Rector earned his letter with one first, one second and one third. He did good work in the State meets. Kelley won his letter in the high jump, taking first in the County. Gragg's tie for first in the County and his tie for second at Stillwater gave him his letter in the Pole-vault. Anderson, Voris, Rector, Wile, and Naudet swept the County hurdle events taking first, second, and third in both hurdle races.

Coach Young has a good foundation on which to build next year's team. All of the men in the 1922 squad will be back to protect the Lintz Trophy, with the exception of Baird and Wile.

TRACK TEAM, SEASON 1922

THINGS WISE

THINGS WISE

There is one saying in existence, without which the Kynewisbok would be incomplete. It has been debated much as to whether this should be included but it has finally been decided that it should be for fear someone has failed to hear it. (Personally I don't think this could be possible unless that person had lived in the back-woods of Arkansas). Because of its age the saying is delicious and mellow and, like most delicious foods, too much of it will make one ill; therefore, we give you due warning that if you have read any annual of Guthrie High School since the year 1400, don't read what follows. You will be overcome by it.

IF YOU CAN'T LAUGH AT THE JOKES OF THE AGE,
THEN LAUGH AT THE AGE OF THE JOKES.

✧ ✧ ✧ ✧

Miss Stewart: "What is the meaning of 'versatile'?"

C. F. B.: "One accomplished in the art of making verse."

✧ ✧ ✧ ✧

Miss Kirkpatrick: "The glass on this picture is broken."

Miss Scovil: "Yes, Ole Abe was cracked when we took him down and now he's broke."

✧ ✧ ✧ ✧

We wonder if everyone noticed the tie Oliver Leonard had on the day of the Senior Breakfast. This is the best description obtainable:

Mae H.: "Oliver, give me your tie awhile. This baby-squawker doesn't make enough noise."

✧ ✧ ✧ ✧

Bill H. (excitedly): "And Polk was a black-horse candidate."

Mrs. Larkin: "Wait, Bill! That's not what you mean."

Bill: "He was a dark-horse candidate then."

Mrs. Larkin: "Well, that's a horse of a different color."

✧ ✧ ✧ ✧

Edith H.: "Do you smoke, Harold?"

Harold K.: "Yes, I'm a cigarette fiend. I can stick this hat-pin clear through my head and it doesn't hurt."

Edith H.: "Oh, well. That's to be expected."

✧ ✧ ✧ ✧

Miss Stewart (reading theme in class): "Just as I threw the chalk the teacher entered the room and it struck him squarely between the eyes.—"

Bill H.: "Good!!!"

✧ ✧ ✧ ✧

Mr. Greene: "Only fools are positive."

Mr. Young: "Are you sure?"

Mr. Greene: "Positive."

✧ ✧ ✧ ✧

Miss Oliver: "What is a sonnet?"

Tommy T.: "I don't know."

Miss Oliver: "Didn't you read the sonnet I assigned for today?"

Tommy: "Yes."

Miss Oliver: "Well, if you can't define the word, tell us what you think of the sonnet you read."

Tommy: "Sun it."

✧ ✧ ✧ ✧

Miss Meeks: "How is your Normal Training class coming, Mr. Walker?"

Mr. Walker: "They are just a bunch of dummies; I've taught them all I know and still they don't know anything."

✧ ✧ ✧ ✧

Conductor (to B. B. Girls): "Where are your tickets?"

B. B. Girls: "Daddy Young has them."

Conductor (to Mr. Young): "Tell me, sir, are you Brigham Young?"

✧ ✧ ✧ ✧

Miss Delo (to J. B. who was whispering): "J. B., what is it that you want to know?"

J. B.: "Nothing."

Miss Delo: "Well, then listen to me."

HOW ABOUT NUTMEG OR CINNAMON?

Miss Kirkpatrick: "What are the four seasons?"

Harold Seaman: "Pepper, salt, vinegar and mustard."

Miss Oliver to Leonard Bruce (who was eating raisins in class): "Leonard, put your raisins away; you'll have to take your iron some other time."

Thelma Cahill: "I don't like my name. I'm going to change it when I get big."

Mr. Young: "Most girls do."

WHY MR. YOUNG'S A MARRIED MAN!

Thelma Champion: "See the silver medal I won in Tennis."

Dorothy S.: "Did Mr. Young award it like the French generals awarded medals during the war?"

In the Spring the Senior's fancy lightly (?) turns to thoughts of g-r-a-d-u-a-t-i-o-n.

Mr. Hammers: "How many natural magnets are known of?"

Bob Miller: "Two, sir."

Mr. Hammers (surprised): "Yes? And will you please name them?"

Bob: "Blondes and Brunettes."

Miss Kirkpatrick: "What can you tell me about the joints?"

Silby McDonald: "I don't know much about them yet, I'm not well enough acquainted."

Mr. Hammers: "When two bodies come together violently they generate heat."

George Reder: "Not always. I hit a guy once and he knocked me cold."

Edwin K.: "Girls are better looking than boys."

Sadie J.: "Why naturally."

Edwin K.: "No, artificially."

Bill: "Here comes Doyle. He's a human dynamo."

Anabel: "Really?"

Bill: "Yes. Everything he has on is charged."

This is How Otis Got His Training in Long Distance Running.

Setting—Ranch in Colorado.

Time—Last summer.

Scenery required—Mountains and sage-brush; More mountains and sage-brush.

Characters—Oleo Wile, would-be long distance runner; ranch owner; sheep and lambs(?).

Act I—Scene I—Oleo applies to ranch owner for position as sheep herder.

R. O.: "What have you ever done before?"

Oleo: "Nothin'."

R. O.: "You'll do."

Act I—Scene II—Early in the morning.

Oleo leads sheep to pasture one by one to the tune of "Pony Boy."

Act I—Scene III—Just at twilight.

Oleo is seen approaching rapidly. Drives sheep and lambs (?) within the fold and hurridly closes gate. He then starts out at a sprint across the pasture.

Act I—Scene IV—Nightfall. Oleo approaches in the gloom driving seven lambs (?) across the pasture into the fold.

Enter Ranch Owner.

R. O.: "You are late my boy. Did you have trouble with the sheep?"

Oleo: "I didn't have any trouble with the sheep but these seven lambs (?) gave me lots of trouble."

R. O.: "Lambs? Why I haven't any."

Oleo: "Yes you have, sir, I brought seven in with the sheep but seven got away and I had to go back after them."

Ranch Owner approaches fold with lantern and counts sheep huddled therein. Turns lantern to far corner of fold and counts fourteen worn out jack rabbits.

CURTAIN.

Mr. Young: "Otis broke the Conference record for the mile run by eight seconds."

Miss Scovil: "Well, doesn't he have to pay for all the records he breaks?"

It was raining the conventional pitch-forks and nigger babies, when Tex Good, notorious Freshman sprinter came up to Mr. Young and inquired, "Will there be track work-outs tonight, Coach?"

Mr. Young (sarcastically): "Oh, yes. You can make big tracks tonight."

Buddy S.: "What's the funniest thing about the annual, Ed?"

Edith: "Outside of the Joke Editors it's the jokes they didn't hand in."

Leona Massen: "Oh, Frances, wouldn't you like to have lived a long time ago and had a Knight make love to you?"

Frances L.: "No. Sitting on an iron knee never did appeal to me."

Anabel says: "In company I call him 'William'; when we're alone I say 'Will'. But when I get angry at him I simply yell 'Bill'."

Miss Kirkpatrick: "What kind of birds are most often kept in captivity?"

Olin Butler: "Jail-birds."

Mr. Walker: "What was the first Aeronautical Journal?"

Lora Jay: "Fly paper."

KATE

There's something in the name of Kate
Which many will condemn;
But listen now while I relate
The traits of some of them.

There's deli-Kate, a modest dame,
And worthy of your love;
She's nice and beautiful in frame,
As gentle as a dove.

Communi-Kate's intelligent,
As we may well suppose;
Her fruitful mind is ever bent
On telling what she knows.

There's intri-Kate, She's so obscure,
'Tis hard to find her out;
For she is often very sure
To put your wits to rout.

Prevari-Kate's a stubborn maid,
She's sure to have her way;
The Cavilling, contrary jade
Objects to all you say.

There's alter-Kate, a perfect pest,
Much given to dispute;
Her prattling tongue can never rest,
You cannot her refute.

There's dislo-Kate, in quite a fret,
Who fails to gain her point;
Her case is quite unfortunate,
And sorely out of joint.

Equivo-Kate no one will woo;
The thing would be absurd,
She is so faithless and untrue
You cannot take her word.

There's vindi-Kate, She's good and true,
And strives with all her might
Her duty faithfully to do,
And battles for the right.

There's rusti-Kate, a country lass,
Quite fond of rural scenes;
She likes to ramble through the grass
And through the evergreens.

Of all the maidens you can find,
There's none like edu-Kate;
Because she elevates the mind
And aims at something great.
